Worshipful Master Rocky Hubert

August 2006

Greetings Brothers:

From the East

“And may you realize as never before the great importance of entire consecration to, and diligence in, the labor of love devolving upon you, and may you also realize fully, and understand to good purpose, that, while diligence is demanded as an element of success, yet the zeal of Masons should never be directed so as to lead to contention, unless it be that noble contention or rather emulation, of who best can work and best agree.”
(M.: W.: William Allen McLean, Grand Master, Grand Lodge of Florida, Free & Accepted Masons, 1880)
-W.: Rocky Hubert

From the West
